Our Rotary  
Foundation

## **The Foundation's Work Continues to Reach Further**

By Bob Hagan

As usual, there is lots to talk about and share with you all. I had the opportunity to put together some halfway through the year numbers of our DG Steve Ivory and he was extremely excited about where we found ourselves at this point in the year. So let me share them with you now. For District 6900, our annual fund goal for the year is \$307,000, and as of end of December we are already at \$347,000, which is 113% of the goal. Our Polio Plus goal for the year is \$158,000 and we are already at \$184,000 which is 116%! And there's much more good news ... including a global grant by the North Atlanta club that focuses on preventing birth defects associated with spina bifida in Ethiopia. [more]

In Memoriam  
**Celebrating  
the Life of  
Will  
MacArthur**

By Margie Kersey  
Rotary's world shines a little less brightly today with the passing of William "Will" MacArthur of Sandy Springs, Georgia—a devoted Rotarian, a joyful servant leader, and a beloved friend to many.

Will's Rotary journey was marked by unwavering dedication and an infectious spirit. Most recently a member of the Rotary Satellite Club of Stone Mountain Passport, he served as Foundation Chair and resident champion of good humor, lifting spirits as naturally as he lifted service projects. Before joining the Passport club, Will contributed profoundly to the Rotary Club of Sandy Springs, where he faithfully served three years as Treasurer, four years as Foundation Chair, and ultimately as Club President in 2017-18. His commitment only deepened after his presidency, as he continued to guide and encourage fellow Rotarians through three years as Assistant Governor, helping clubs across the district reach new heights. ## **North Cobb Rotarians Busy Making a Difference!**

By Jose Gonzalez

**North Cobb  
Rotary Club**

President Jose Gonzalez used the first meeting in January to present a mid-year review. He shared that the club has already gifted over \$30,000 to local and global non-profit organizations and completed many of its goals. The review set the stage for the rest of January, where the club joined in a unity walk with the City of Acworth for the Martin Luther King holiday, painted the learning center that sponsors the Acworth Achievers Program, and restocked the Kennesaw State University food pantry. There's more to the story. [\[more\]](#)

## **North Cobb Rotarian Serves City of Acworth**

By Kimberly  
Haase

The **North Cobb  
Rotary** year

kicked off with an inspiring celebration of service as North Cobb Rotarian Judge Jaret Usher proudly swore in fellow Rotarian Kimberly Haase to the office of Alderwoman for the City of Acworth. Judge Usher, whose decade-long commitment to the county, and as a State Court Judge since 2022 exemplifies the very spirit of “Service Above Self” helped mark a historic moment on January 2nd in the heart of Acworth, GA. This milestone not only highlights the leadership rising within our clubs, but also showcases how Rotarians continue to shape our communities with integrity, dedication, and purpose. Cheers to a year of impact, fellowship, and bold new beginnings!

## Gratitude Wal: Members Helping Members

*This is a new section of the Rotoscope- highlighting a few of the many acts of service our members give to each other:*

From **Michael Curling** :

I just wanted to take a second to recognize **David White** . We ended up somewhat last minute needing a Civil Engineer for a permit with the City of Roswell and David and his firm **Civilogistix** , despite their busy schedule, took time over the Holidays to step up and assist us. ## **Roswell Adds Gratitude Wall to Weekly Newsletter**

By Becky Nelson

With a focus on Service Above Self, the **Roswell Rotary Club**

realized that it was not publicly recognizing fellow Rotarians when they showed up professionally for another member!

In December President

Trummie Lee

Patrick III asked

Kathy Igou (Rotascope Editor)

to add a new section to our weekly newsletter after a

conversation with Roswell Rotarian Hal Schlenger

who was complimenting

fellow RRC member Joe

Mazzeo, a master plumber, for his

prompt and professional response for a personal matter.

Thus, The Gratitude Wall was added.
